

September 9, 2009

REIT Growth and Income Monitor has expanded analysis of REIT Sectors with Monthly and Quarterly summary reports.

We have been publishing REIT sector stock price performance in our REIT Weekly Comments since February, 2008. Our new REIT Sector Monthly format adds sector and individual REIT stock price performance, as well as sector valuation and capitalization analysis.

Use this link to view a copy of Retail REIT Monthly Sector format, including 45 pages of performance and analysis on Retail REITs:

[http://www.reitmonitor.net/atlantis/reitwebrpt.nsf/All/5204008BCF4F6F7A8525762A00680AF5/\\$FILE/Retail%20REIT%20Monthly%20July%202009.pdf](http://www.reitmonitor.net/atlantis/reitwebrpt.nsf/All/5204008BCF4F6F7A8525762A00680AF5/$FILE/Retail%20REIT%20Monthly%20July%202009.pdf)

In addition, our new Retail REIT Quarterly Sector report includes individual REIT reports on 23 Retail REITs, updated to include financial results for 2Q 2009.

Please use this link to request access to a sample of our latest Retail REIT Quarterly Sector Report, with 87 pages of performance analysis and investment information on 23 Retail REITs.
